For all warranty enquiries please call: **1300 4 ZETTI** (93884)

Installer Name (print name): _____

Signature: _____ Date: ____ / ____ / ____

DPF Warranty

All SWD Diesel Particulate Filters (DPF) are covered by a 2 year limited warranty.

FAILURE TO FOLLOW THE BELOW WILL VOID THE WARRANTY.

A warranty claim may be rejected for the following reasons:

- DPF's are only covered for structural failure. A DPF returned due to blockage will not be considered as a warranty claim.
- Breakup of the monolith caused by excessive vibrations or accident will not be considered as a warranty claim.
- Use of oil not conforming to the specifications given by the vehicles' manufacturer.
- Use of Bio Diesel in the vehicle.
- Obstruction of the monolith caused by use of exhaust paste.
- Obstruction of the monolith caused by oil or antifreeze entering the exhaust system
- Failure to immediately follow the manufacturers instructions when the DPF warning light illuminates.
- For vehicles using an additive to assist in the regeneration process this additive was not used.
- All engine faults that caused the original DPF to fail are not rectified.
- The ECU was not reset at the time of replacing the new DPF
- Pressure Sensors, gaskets & mountings were not replaced at the time of fitting of the new DPF.
- **YOU MUST** run a "Forced Regeneration" on the new **DPF BEFORE DRIVING THE VEHICLE**
